PRESIDENT TOM ZUNK'S MESSAGE

My first month is almost over and it's been fun. Jackie and Mel are teaching me the bar. The New Year Eve's party was great and thanks to all who came and brought food and a special thanks to Gabriela Siffer for putting on a euchre tournament. I'm trying new products at the bar so come in and try them. Kevin Mantel is putting in a 100 person WIFI unit in. That was approved at the meeting. I am also excited about a party that a committee of women members are putting on February 27 in conjunction with Bernie's pizza's; these women will be transforming the whole clubhouse upstairs and downstairs into Kelly and South Bass (Put in Bay) island.

There will be music and all of the specialties these island including wines of the island, strawberries, cherries and a lot more surprises. So put on your shorts and your sandals and come on down and get rid of those winter blues. Remember if you want to do anything feel free to talk with me and this club will make it happen. As also feel free to call me @419-464-2149 and may God bless you and this great organization.

Tom Zunk

ACCORDIAN WANTED

Does anyone have an accordion collecting dust in your attic. The Bavarian Sports Club is looking for another one. One was donated in 2015, we have contacted the Toledo Schools for the Arts to see if they have students interested in learning and possibly playing for us. It would stay at the club until we feel comfortable to let someone take it home.

CHRIS NOWICKI WINS AWARD

I was delighted to receive an email from Chris Nowicki last week. It seems when he returned to his teaching position at the art academy he found a letter from the Ministry of Culture and a medal that he had been awarded. Last year he was awarded his doctorate by the president of Poland.

Chris is a long time member of our club and lives and teaches in Wroclaw, Poland. Wroclaw, before WWII, was part of Germany. Then it was called Breslau.

Chris was born here in Toledo and did his undergraduate work at the University of Toledo and the School of Design at the Toledo Museum of Art. Chris teaches printmaking and graphics at the Academy of Fine Arts In Wroclaw and is a visiting professor at Northeast Normal

University in Changchun, China. He exhibits his work internationally and has work in the permanent collections of several major art museums .

Best thing is, I get to call him my friend!!

JIGG'S DINNER MARCH 12TH @5:00 PM

Who serves the best Jigg's Dinner in town? Well, the Bavarian Sports Club, of course! Join us this year on Saturday, March 12th for this very popular event. Kathi O'Fleming and her leprechaun clan will be serving up their Corned Beef dinner for the 23rd year. Jiggs dinners include a generous portion of corned beef, potatoes, cabbage and carrots. Then top it off with your choice of homemade desserts.

This dinner is a combined effort of many members. Kathi and Dan start planning in January. They get food ordered and double check that nothing has been forgotten. The night before the dinner we have volunteers come and help clean, cut and prepare the vegetables. Here is just a partial list of the veggies we prepare:

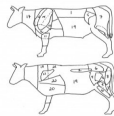

1 1/2 bags cabbage (20 heads)

35 lb potatoes

30 carrots

Then early Saturday morning Bernie Maycrovich will get the brisket cooking. We cook over 100 lbs. of corned beef! Later that day, Mel Arndt will arrive withdoz-ens of his homemade rolls. Meanwhile, not only has Kathi Fleming w e e k been busy preparing the dinner, but she will have been baking all long with many varieties of homemade desserts.

And these are just the people cooking! There are many others that help in the kitchen, make sure desserts are cut and served, grill sandwiches, deliver dinners, wash dishes, and of course the bartenders!

So please come join us in a fun evening and a great meal.

BSC BAYERISCHER MOTORRAD VEREIN - LET'S RIDE!

The BSC Bayerischer Motorrad Verein had its 1st meeting of 2016.

We continued discussions on a large jacket patch, the patch design and cost. We also started discussing how we earn patches and using additional hash marks to award participation.

Pre-Summer Activities for the Verein include a monthly meeting on Pizza nights. We will use this time to discuss rides, Summerfest participation and the Summer Camp-out. We hope to start the riding season, weather permitting, at the end of April.

Some of our plans include the beautiful run to Grand Rapids Ohio, group campout, a Prenkert Bonfire, camp-out as a group at the GAF during the GAF weekend, Poker Run for Sommerfest weekend, Sandusky Bike Week & Grub N Suds . Additional discussions were on fund raising and promotion.

The next meeting for the BSC Bayerischer Motorrad Verein is February 27th, 7-8pm.
